Dear Ms. Wiser:

We have reviewed the prospective petition you submitted to place your statement/argument in the state voters' pamphlet and approve the petition for circulation.

Attached is the approved signature sheet that you may circulate for signatures. Each petition must be circulated on 8-1/2" X 11" white paper and the statement/argument you submitted must be attached. It can either be copied on the back of the signature sheet or stapled behind the signature sheet. If you choose to staple the statement/argument behind the signature sheet, up to five signature sheets may be attached to one copy of the statement/argument. You will need to write the county name in the appropriate place on each signature sheet prior to circulation.

The number of valid signatures required to place your statement/argument in the state voters' pamphlet is **500**. The signatures must be from active registered voters in the applicable electoral district. The signatures must be verified and the completed petition must be filed with the Secretary of State prior to August 28, 2012. Additionally, if you have not already submitted candidate photos and statements of endorsements, if applicable, they too must be received by August 28, 2012.

Signatures must be verified by the appropriate county elections official(s). If signatures are submitted for verification not later than the 10th business day before the filing deadline, the signatures will be verified prior to the filing deadline. If signatures are submitted for verification after this date, it is possible that verification cannot be completed prior the filing deadline and the appropriate fee must be paid in order for the submission to be placed in the state voters' pamphlet.

Please review with your circulators legal prohibitions and guidelines before they begin to collect signatures.

If you have any questions, please feel free to contact the Elections Division at 503-986-1518.

Sincerely,

A handwritten signature in black ink that reads "Summer Davis".
